

THE WAE WARMLY WELCOMES

Emma Manners

THE 11TH DUCHESS OF RUTLAND
BELVOIR CASTLE

Belvoir Castle is the most fabulous fairy-tale castle in England. Since taking charge of the 1,000-year-old estate, the Dutchess has shaken off the dust-sheets and brought back to life a castle that had slept since WWII.

The Duchess looks forward to telling her story and to recounting her discovery of plans for the design of Belvoir's great park, drawn up in 1780 by the legendary landscape architect, Lancelot 'Capability' Brown, but then shelved and left forgotten.

\$85 per person plus sales tax and service charge

You are also invited to pre-order a signed copy of the Duchess's book *'Belvoir Castle and Capability Brown - discovering a lost landscape'* for the additional cost of \$90.

Table reservations and book pre-orders will be taken by Kathy in the Ladies' Locker Room, call (760) 423-1546.
