**Thursday, November 5, 2020**  
**2:00 PM - 3:00 PM Pacific via Zoom**

Join us for an informational session featuring Eldorado Members John Ginascol, Executive Vice President, Core Diagnostics for Abbott Laboratories, Michael Landes, President of the Eisenhower Health Foundation, Erik Schnaser, MD, who serves on the Medical Staff Task Force for COVID-19 at Eisenhower Health, along with special guest Alan Williamson, MD, Chief Medical Officer at Eisenhower Health.

Learn the latest regarding testing efforts, vaccine development, and statistics regarding the COVID-19 virus and how it has directly affected the Coachella Valley over the past few months. Our expert panelists will share an inside look at how Eisenhower Health continues to manage the pandemic and share their collective outlook for the remainder of this year and 2021.

Your questions, submitted in advance, are welcomed and will be addressed by the panelists during the program. **Please register for the Zoom Webinar and submit any questions via email before noon on Wednesday, November 4, to [info@eldoradocc.org](mailto:info@eldoradocc.org).**

Please note Members must download the Zoom software app to their computer or mobile device and enter a Webinar ID and Password to view the presentation. The Zoom Webinar ID and Password will be emailed to registered participants before the meeting.
