

ELDORADO MEN'S MEMBER-MEMBER

FRIDAY, FEBRUARY 26 & SATURDAY, FEBRUARY 27, 2021

2-DAY | 8:30 AM SHOTGUN EACH DAY

FORMAT: TEAM QUOTA 2-PERSON BEST BALL STABLEFORD SCORING
WITH A HALF ADJUST AFTER THE FIRST DAY.

As an example: If both players are 10 handicaps, their total would be 20. Take 80% of the total $(20 \cdot .8) = 16$, then divide by 2 = 8. Subtract the 8 from 36, so the team would need to get 28 quota points the first day in a Best Ball format. **Quota Points are as follows: Bogey = 1 Point, Par = 2 Points, Birdie = 3 Points, Eagle = 4 Points, Albatross = 5 Points**

All teams will get a half adjust after the first round. If a team's day 1 quota is 28 and the team scores 32 (+4), we would adjust by 50% of +4 which would be +2. Day 2 quota would be 30. If a team's day 1 quota is 28 and the team scores 20 (-8), we would adjust by 50% of -8 which would be a -4. Day 2 quota would be 24. The TOTAL quota points of both days combined will determine the winners.
