Experience one of the most exotic and colorful canyon hikes in the Mecca Hills area. Geologically interesting as we explore Moab, Utah-like country.

Nicknamed by local hikers, as the color of the dark rock walls match that of a coffee bean. The reason for such an early start is that the lighting in the canyon in the mornings really highlight the rock walls.

Depart Sport & Fitness at 7:00 AM (return by 11:00 AM) **Transportation will not be provided by the Club**, however carpooling may be available among the attendees. Please dress in layers, bring water, and a mask.
