

The team from iCreative returns to teach you more of the basics and answer your tech questions!

**Monday, April 8**

## **Passwords! Passwords! Passwords!**

Nothing in this day and age is more important than being able to quickly and effectively manage your passwords! Learn to use Apple's free, built-in Keychain and Secure Notes features in this absolutely vital class.

**Monday, April 22**

## **What IS MarkUp?**

If you do not know what Markup is on iPad, iPhone and Mac, this class will be such a treat! Add compelling text to any photo, add a signature of yours (or multiple signatures) to any pdf document, and use these features on ALL of your Apple devices!

**4:00 PM-6:00 PM**

in the Eisenhower Room

\$20.00 per person (per class)

Class size is limited.

Reservations should be made for each individual class online or with Member Services (760) 423-1512

24-hour cancellation policy.
