- Dwight Eisenhower

Field Size and Stroke Differential The field is limited to only 96 two-man teams with handicap differentials not exceeding 12 strokes

Prizes All flight winners will receive a prize. 1st, 2nd, and 3rd place winners of the Shootout will receive a trophy. 1st Low Gross Overall and 1st Low Net in each flight of the Father-Son Divisions will receive a trophy.

Team Putting Competition A two-hole team putting contest will be held on the practice green beside the Golf Shop. Teams will compete within their flights. Each player will attempt two green-length putts with the combined distance to the hole for all four putts counting as their score. The winning teams in each flight will earn a bonus point toward their team total for the tournament. Teams that make two of their four putts will be granted automatic qualification in the Shootout.

Odyssey “AI One” Putter Fitting Players will be professionally fitted to their ideal combination of AI One putter head and length by a member of the Odyssey Professional Staff.

Female Companion Putting Challenge A two-hole putting contest similar to the men's competition without flights. The winners will receive a special prize.

Closest to the Pins Challenge A team event where both partners take shots from the Sports Club Café at two different targets on the range. The team's score will be the combined distance to the hole. The top three teams from the preliminary round will advance to a single hole sudden death shootout. 1st and 2nd place will receive meaningful cash prizes, which will be presented to their female companions, while third place will receive a unique prize that they won't want or know how to use properly!

Saturday Day Money Teams with the largest margin of victory in the final match will receive day money within their flight.

Father Son Division A 36-hole better ball tournament will be played within the Sunburst for sons, fathers, and sons- or fathers-in-law.
